Our roses are coming from STAR ROSES and WEEKS ROSES and pictures can be found in catalogs (available for viewing at our store) or on their websites.

Hybrid Tea & Grandiflora

The following roses are grown for the individual beauty of each flower. All make excellent cut flowers. These make the largest flowers either one to a stem or in small clusters.

__Big Momma \$19.99

Medium pink that lightens after opening, strongly fragrant, heavily petaled, good cut. Medium height bush.

__Brandy \$14.99

Brassy apricot, large fragrant flowers, good form, little disease. Very popular.

__Dee-lish \$19.99

Old fashioned, heavily petaled, deep pink with strong fragrance and little disease. 2016 fragrance award winner. Tall bush.

__Dolly Parton \$14.99

Hot orange, tall balloon-like flowers with strong fragrance. Perfectly named standout.

__Double Delight \$16.99

Vanilla dipped in strawberry flowers with strong fragrance. ALL TIME FAVORITE Quick repeat,

loves heat. Best of the bi-color roses.

__Firefighter \$19.99 Overall best red is the best combination of size, fragrance, disease resistance, repeat, and color. Tall bush.

__Gentle Giant \$19.99

Giant, rich pink, moderate fragrance, little disease. Tall bush.

__Grande Dame \$19.99

Old fashioned, deep rose pink, intensely fragrant. Tall bush.

__Ingrid Bergman \$19.99

Best red rose for production in the garden. Lots of nearly perfect flowers, good color, little disease, little fragrance.

__Ink Spots \$14.99

Black red flowers, little fragrance, no disease, long stems. Darkest red we've seen.

__Just Joey \$14.99

Warm apricot, huge size, good fragrance, little disease. Very impressive blooms especially during cool weather.

__Love and Peace \$19.99

Yellow edged with deep pink, sweetly fragrant, little disease. Medium height vigorous bush.

__Miss Congeniality \$19.99 NEW

Medium size white with deep pink picotee edge, light fragrance, little disease. NEW

__Neil Diamond \$19.99

Large pink with white stripes, intense sweet fragrance. Tall bush.

__Neptune \$19.99

Best mauve with strong fragrance. Good size, deep color, good disease resistance

__New Zealand \$14.99

Coral pink blend with powerful fragrance, little disease. This was the first rose to combine great

fragrance with good disease resistance and long vase life.

__Olympiad \$14.99

Clearest plastic red, long lasting bloom, little fragrance. Very long stems, little disease, loves heat.

__Peter Mayle \$19.99

Very large, deep pink, very strong fragrance, little disease.

__Pope John Paul II \$19.99

Fragrant white, heavily petaled bloom with excellent form. Medium/tall bush with little disease.

__Radiant Perfume \$19.99

Deep yellow flower with excellent fragrance. Medium height bush with little disease. This combines a lasting deep yellow color with fragrance.

__Rock & Roll \$19.99

Cream splashed and striped with burgundy, strong fragrance. Medium height bush.

__Smokin' Hot \$19.99 NEW

Dark orange with purple smoke and white reverse. Heavy bloomer of medium size flowers.

__St. Patrick \$19.99

Best yellow, starts green deepens to gold, little fragrance, little disease. Longest lasting yellow flowers.

__Sugar Moon \$19.99

Best white. Big, heavily petaled, super fragrant with contrasting dark foliage. Tall, upright bush.

__Sweet Surrender \$14.99

Medium pink, heavily petaled, flat bloom, strongly fragrant with straight stems, little disease.

__Twilight Zone \$19.99

Deep purple velvet with strong clove scent, heavily petaled. Medium height bush.

__Valencia \$19.99

Creamy apricot/copper with strong fragrance and long vase life. Little disease.

__World War II Memorial \$19.99

Very light mauve pink with strong fragrance, little disease.

__Yves Piaget \$19.99

Deep mauve pink with big, highly fragrant bloom, great production, little disease. Short to medium bush. This is one of the best roses ever but is essentially an English rose (80 petals!) on a short hybrid tea bush.

Floribunda & Shrub Roses

The following roses are grown for the color impact they make in the garden. These generally have somewhat smaller flowers that occur in clusters.

__Carefree Wonder \$14.99

Deep pastel pink with white edge and reverse. Heavy bloomer with no disease.

__Distant Drums \$14.99

Tan blending to orchid pink, with light fragrance. Medium height bush. Unique antique color.

__Doris Day \$16.99

Pure golden yellow, strong fruity fragrance, constant heavy bloom. Medium height bush.

__Gruss An Aachen \$14.99

Pale pink cream that deepens with heat, good repeat, low to medium height. Little disease. This old German rose was the inspiration for David Austin's English roses.

__Icecap \$14.99

Pure white with fast repeat and little disease with little fragrance. This new rose is an improvement over Iceberg, shorter, denser habit, and less disease.

__Julia Child \$16.99

Deep yellow gold with strong fragrance and little disease. Low to medium rounded bush.

__Tuscan Sun \$19.99

Bronze buds opening to coppery apricot, aging to pink, lightly fragrant, heavy bloomer. Medium height bush with little disease.

Climbing Roses

The following roses are large plants with long rambling stems best displayed on a support.

__Eden Climber \$19.99

Old fashioned, pink opening pale, little disease or fragrance. VERY POPULAR

__Garden Sun \$19.99

Yellow aging to pink. New climber hopefully will have flowers that tolerate heat better than past yellow cultivars.
